

Exercise 2 (Simple node server)

The screenshot shows a web browser at `localhost:2` displaying an "Index of /" page. The page lists various files and directories with their sizes and last modified dates. To the right, the browser's developer tools are open to the Network tab, showing a list of requests. The status bar at the bottom indicates 6 requests, 71.7 kB transferred, 75.4 kB resources, and a total load time of 371 ms.
